D.O.No. W11035/2/2007-CRSP Part I

Date: 3rd June 2009

Subject: Country Programme Action Plan (CPAP) 2008-2012

Dear *Ms. Krishnan,*

Kindly refer to the meeting held on 8th, 9th April, 2009 to review and share information on programme interventions for the Country Programme Action Plan (CPAP) 2008-2012.

As discussed in the meeting, as part of the intersectoral convergence initiatives between Integrated Child Development Scheme (ICDS) and Total Sanitation Campaign (TSC) the training package for Anganwadi worker should have hygiene and sanitation as an integral part since Anganwadi workers play an important role in promoting sanitation. Capacity building on good hygiene practices, sanitation promotion is crucial for Anganwadi workers.

It is therefore requested that your Department may consider inclusion of suitable material on sanitation, personal health and hygiene education, use of baby friendly toilets, behavior change communication in the guidelines and training Modules developed for Anganwadi workers.

The Department would be glad to provide any assistance that may be required in this regard.

With regards,

Yours Sincerely,

T.M. Vijay Bhaskar
